MARIA DOOLEY MAKES IT BIG – & IT SHOWS!

There could never be any doubt that magnificent Irish, Maria Dooley would make it big, in glamour.

You'll recall her debut in *Park Lane* some months ago, and since then, there's hardly a magazine worth talking about whose pages she hasn't graced – and that includes throbbing new 75p *Titbits*, so strongly recommended by Park Lane as a budget-priced filler between each new pulsating four-weekly Park Lane.

Here she is sporting some of the furry rewards of her erotic effort on Park Lane's own stairway to stardom – and let's hope that fur is man-made and not the result of any animal cruelty.

Now we're working on Maria to tell us some of her sexy secrets of stardom on hotlines for Park Laners like *Live Sex Action* on 0898 886 400 or *The Sex Party* on 0898 403 653. Park Lane thinks she'd make your ears *burn* on these 25p-a-minute (38p peak times) aural pleasure-givers!

In the meantime, don't forget to catch up on the rise and rise of new, mega-posh Ms Dooley in new turn-on *Titbits.*

It should be on sale at your local newsagent, but hand them the coupon in Maria's Park Lane show-case anyway, to remind them that *you'd* like to keep in touch with this sizzling 75 pen'north, and its come-hither titbits like Maria.

JOIN IN THE PARK LANE QUEST FOR THE PERFECT CLEAVAGE!

Come and join in the continuing Park Lane quest for the *perfect* set of boobs - not necessarily the biggest but just the two *finest* united dairies in the globe. And this month's cleavagy contender is Carla Cox here who's happy to admit that man has played a part in perfecting her titillating twosome, now breasting the tape at 38. ►

And there's no doubt that jewellery seller Carla from Campden Town in north London (hence the pearls and other nick nacks in her mixed bag of bra-bending snaps for Park Laners) now has breastworks well worth chewing over.

Mind you, when it comes to cleavage capacity, she's flat chested compared to the giant jugged stars on Park Lane's *Megaboobs* video, where Britain's top bra-benders put their best parts forward on your telly.

So if you haven't caught up with the titanic action on *Megaboobs,* grab it now by using the discount coupon in Carla's cavalcade.

By the way, if you're a size man when it comes to oh-so-chewable chests, you might well enjoy wallowing in the wobbly wonders who tell you what turns them on (for 25p a minute, 38p peak times) on 0898 884 055 where *Big Girls Detail Their Desires,* on 0898 886 414 where *Big Busty Blondes* lay on outsize telephone sensations. ►

YES, LET ME GET MY TEETH INTO REAL WHOPPERS ON VIDEO, PARK LANE

Please rush me your *Megaboobs* video at the special discount price of £15.95 including post and packing. I am 18 years or over, and require VHS/Betamax *(delete as applicable).*

A MESSAGE FROM ZETA

UNDAY PORT
I GET IT EVERY SUNDAY, WEDNESDAY AND FRIDAY!

Dear Readers

I want to draw your attention to a move (by the Government) which unless YOU do so something will stop the sale of all girlie magazines in Britain.

The rag-bag alliance of feminists, religious bigots, ultra-conservatives and opportunist publicity seekers have decided to mount an attack on the rights of adults to decide how they spend their money. They have persuaded the Government to set up a review of the effect of pornography.

Unlike previous official studies, which concluded there was no evidence to link pornography and sexual violence, no opportunity is being given for submissions to be made. There has to be a substantial risk that not every factor will be given due weight.

The aim of the 'do-gooders' is to prevent you buying your favourite adult monthly magazines. They have made their voices heard. If you don't show that you are the majority there is a real threat that this magazine (and all similar mags) will no longer be on sale in Britain.

1) You should write to your M.P. at:- The House of Commons, London SW1
(If you don't know his name just write to 'The M.P. for..')

2) If you really want your opinion considered then also write to:-
The Home Secretary, Home Office, Queen Annes Gate, London SW1

or ring the Home Office on 01-273 3000 and speak to the person concerned with pornography.

If you don't tell them your views, they'll soon be telling you what to read.

Please do this for me.

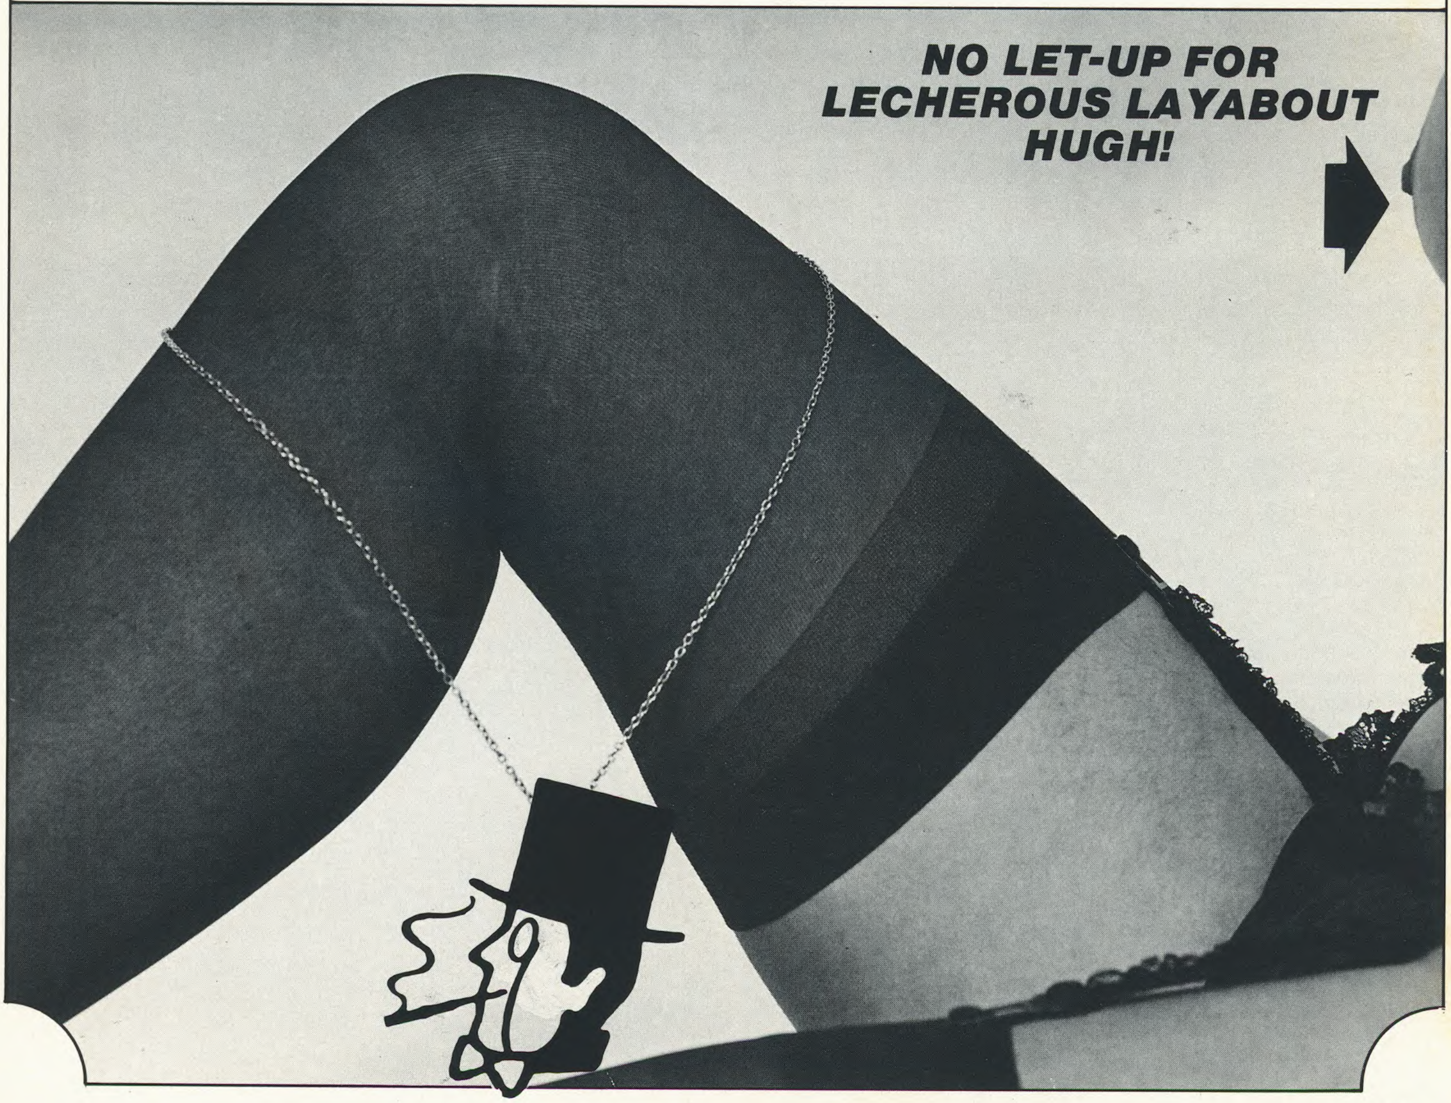
THE DIARY OF A PARK LANE RAKE



NO LET-UP FOR LECHEROUS LAYABOUT HUGH!

Once more we hear from Park Lane's monied, idle, rich'n'randy layabout Hoorah Hugh, who has nothing better to do all day than fight off shapely females determined to get their paws on him, his pad off Park Lane *and* his inheritance.

Yes, Hugh Mortimer (sometimes known as Hugo when he's feeling *extra*-aristo) was born with a silver spoon in his mouth and a permanent surge in his pinstripes.

On the other hand, as we discover this month, even when he flies to the West Indies there are horny 'gels' from back home in hot pursuit... yes, there's no rest for the randy and the wicked, is there?

So come and enjoy the latest sexploits described in thrust-by-thrust detail from the upper crust twit we all envy if we're honest with ourselves...

‘Connie... had worn me out of late’

THE DIARY OF A PARK LANE RAKE

I packed up my things with schoolboyish excitement. Old Percy d‘Eath, my old school chum and now boss of the advertising agency I work for just around the corner in Park Lane, had asked me to go to Barbados to secure a Rum Punch account, and discuss its promotion in the UK.

I needed a break from London – and sex. Connie, my erotic, long-time girlfriend, had worn me out of late with her physical attentions and threats of marriage.

Philippa, a really high class tart, and daytime secretary of the naughty *Tinkerbelle* club in Mayfair, had also shared my affections, albeit on a retainer from my pater to see what I was doing with Connie, and report back to him.

As usual my governor had outsmarted himself, I and Connie had sailed past the stage where marriage would have been proper, and I could scarcely, even in 1990, marry a high-class lady of the carriage trade, no matter what smokescreen she showed to the world during daytime hours.

Besides, I did not want to marry. All the old boy was concerned about was continuing the family line, and the title passing to me and my senior male issue, in the customary manner.

I went in BWIA’s super club class, right at the front of the aircraft and sipped rum punch and champagne all the eight hours and five minutes to Bridgetown.

Stepping off the aircraft at Grantley Adams International Airport is like stepping through a steam bath curtain of sweet-smelling heat which makes your travelling clothes heavy and superfluous.

The sights and sounds of Barbados, an old friend welcomed me: candy hooped porters with their trolleys, the cars and minibuses rolling away from the arrivals door to disgorge yet another batch of whiteys on some St. James-side beach hotel for the next week or two. And never a hassle: no-one gets too excited for too long.

That’s what I love about Bajans. *You* can walk the streets, and your wife or girlfriend can walk by themselves, without fear of being molested, and the drinking water is the purest in the Caribbean.

So you pay more because everything is imported, but not that much more, if you live in London or the south east. And what you can’t buy in Mayfair or Wimbledon is Barbados itself.

“Bungalow 42. The lady’s already there, boss!” winked the baggage boy, making a big production of loading my one, light case on to his trolley.

I said nothing. When baffled, do not engage voice. Old Chinese proverb!

He knocked at the door, from inside a cultured female English voice called out, “Come in!”

And there was Philippa in a bath towel, brushing her black hair down to her shoulders, looking lovely and golden brown!

“If you say, “What are you doing here?” I shall say, “Fuck off!”, and we don’t want any coarse language, do we, Hugh dearest?” she smiled, her green eyes dancing with mischief.

“Um...”

“Hugo, ‘um’ will simply not do. Shouldn’t you, perhaps, make some sort of gratifying exclamation and rush at me?” Philippa now suggested.

“I am not going to be buggered about. I did not leave the terrible Philippa/Constance/Pater *ménáge á quatre* in England to have the fall out on this sunkissed island in the sun!” I stormed, my anger now showing through my surprise. “I do not *like* being manipulated.”

Philippa undid the towel and inspected her amazing body critically.

“Oh dear, there’s a spot just above my pubes. Do you think I should squeeze it or speak to it nicely so that it will go away, Hugh darling?” murmured Philippa, oblivious to my tantrum.

I looked at her body and became rampant in every way. It was no good, the celibate life was obviously not for me. I put down my executive briefcase, slung my jacket over a chair, and pulled off my shirt and trousers.

“I must first have a shower,” I grunted.

“How positively English,” sighed Philippa. “I always say to myself, in moments of high passion such as this, shall I be taken before or after *The Times* crossword?”

I came out of the bathroom dripping and towelling myself vigorously. Philippa lay on her back on top of the turned down bed covers, one leg provocatively cocked up.

I slid on top of her as the knee went down so that I was on top of her. My penis needed no directions. It sunk in deep between her thighs: deep and probing. Her body rose and fell with accompanying sighs of satisfaction.

I felt her boobs harden on my chest hair like underripe lemons, but her lips were of the softest, ripest peach texture. All tiredness left me. I forgot my surroundings, why I had come here, and the main reason for my visit, and attacked her.

“You screw marvellously,” breathed Philippa, burying me alive in kisses, all banter now ended. “Such a pity that I, too, am here working...”

“Working?” I was suddenly jolted out of my male mood of conquest. Working, when Philippa used the word, either meant The Tinkerbelle Club, or else her secret life – that of a high class lady of fortune.

“I’m here with ‘Stutters’, Lord Algernon Stuttaford. He’s a dear old thing. ‘Knows how to treat a girl, even if he is slightly ga-ga,” she declared.

“Well, should you *not* be with him?” I said, huffily.

“Not really, darling. He’s a pet, but he does not always know whether I am here with him or not. It’s very embarrassing when I go into the restaurant and he is already eating. “Oh, good lord, *Penelope.* Fancy meeting you here. Knew yer father...” he says. That’s what happened last night. The waiters sniggered and I stood there like a fool as he asked me to join him.

“It’s the same with sex,” Philippa went on. “He’s a love, but he simply can’t remember whether or not we ‘had it orf’ the night before or the following morning. I think before next he calls a taxi halfway through the night, and asks the

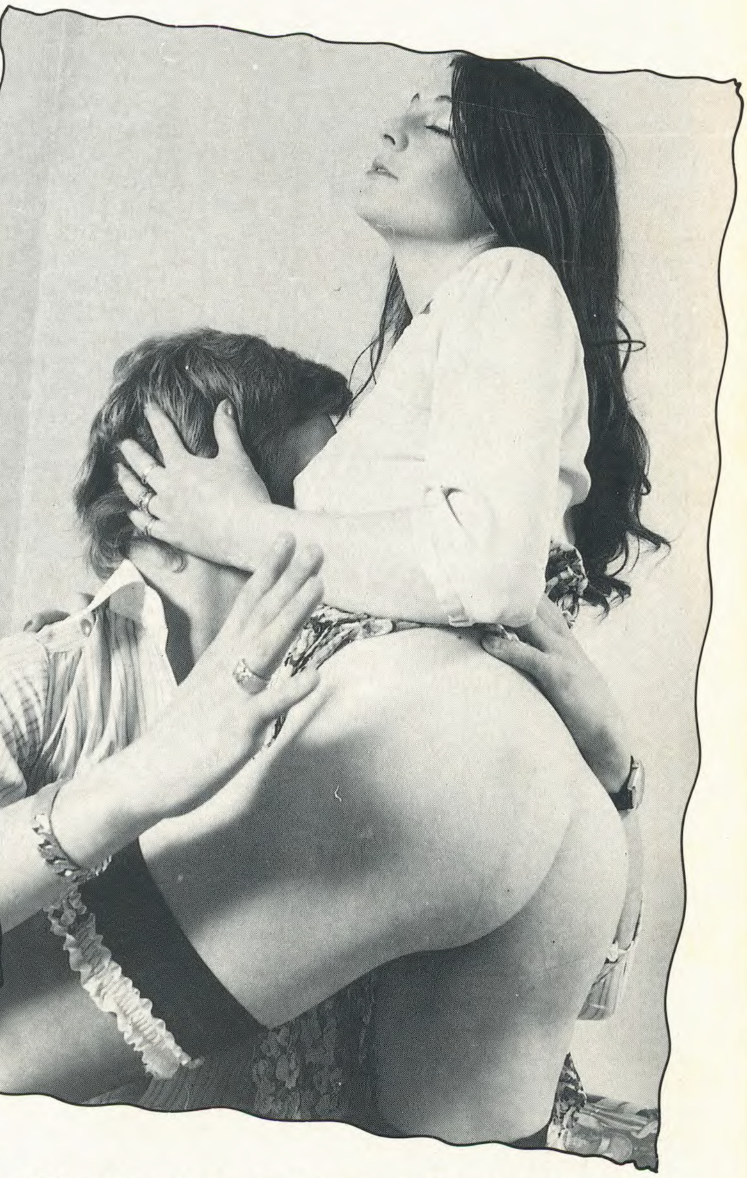
ON THE JOB IN PARK LANE!

Would You Measure Up To Office Life In Park Lane?



More tall stories but with a randy ring of truth about them, about what goes on and who comes off in the plush office suites of London's West End... and this time we hear from a not-so-innocnt young lad who found himself undergoing the horny humiliation which seems to be all part of the job at one large corporation which we dare not name here.

Read about the wild office girls who work there (when they find time between sexy larks) and you'll see exactly why it must not be named...

►

'I wish my boyfriend had one that big,' another voice exclaimed'

'It was still ramrod stiff'

'I wanted her to bring me off there and then'

'The girls admired my bulge'

'This would cost you a fortune in Soho,' I pointed out to him'

ON THE JOB IN PARK LANE!

The girls in the office laughed and giggled as us two new blokes found our clothes being removed.

I like a good prank myself – when it's played on someone else. But I'm not too keen when yours truly is at the centre of such activities.

The young red-headed lad who was receiving the same treatment as myself was the first to lose his trousers.

His shirt and tie had been taken off previously by willing female hands. The young, and for the most part – attractive, office girls let out a little cheer as Colin was reduced to his briefs.

I didn't expect for one minute that the lovelies would go any further and actually de-nude him completely; and they didn't. From what I could see of him, he seemed to he very embarrassed by the girls having their fun.

By now, I had acepted that *I* was going to be de-bagged, too. I had on a brand new pair of briefs, fortunately, I had debated about opening the fresh packet that morning, but now I was glad that I had.

"Careful with that zipper!" someone called out.

There was definitely more than one pair of hands messing about in my crotch. It was quite pleasant, actually. A lot of laughter followed the remark but, at least someone was being thoughtful about possible damage to my manhood. I was glad about that.

I was completely powerless to prevent my trousers being taken off. The bosses were all out and they wouldn't be back for some time, so I knew there was no chance of a timely 'rescue'.

I therefore raised my arse from the desk top whereon I was stretched out and, as my well-packed briefs came into view, there were cheers from my new female colleagues.

My trousers were actually removed altogether and, still held down by willing hands, the thought did cross my mind that my underwear might just travel in the same direction.

It didn't happen however, but there were plenty of ribald comments from my pretty colleagues as the girls admired my bulge.

Poor Colin hadn't received even half the number of remarks that I got

When I had first been introduced to the office girls I'd thought that butter wouldn't melt in their mouths. Of course, I'd heard of new blokes being 'initiated' by females in factory rituals, but never by seemingly demure, well-brought-up, young ladies in a prestige West End office block!

Anyway, I didn't begrudge my new colleagues their fun. Perhaps I could look forward to a sexy *bird* taking up a position in the firm sometime in the future and her receiving the same treatment.

I would take great delight in waving her bra around the office in the same way that the laughing girls were waving my trousers around! They got passed from one to another like a trophy after a football match.

Colin and myself were not restrained at all, so it seemed obvious to me that the stripping had gone as far as it was going to go. Our briefs were going to stay on. I noticed that the red-haired lad had one leg shyly crossed over the other.

"Okay girls," I said with a half laugh. "Can I have my clothes back now, please?"

"Certainly not," grinned one of the youngest of the pack, a quite attractive, auburn-haired girl who sported a very decent set of knockers. She made a grab for my shirt, just as I was about to pick it up and she clutched it to her bosom.

"You can have your *tie* back," she laughed, throwing it to me.

By now, *Colin* was on his feet demanding the return of his clothes. The girls didn't take a blind bit of notice of his request.

The duo who appeared to be ringleaders of the little escapade, both leggy blondes whose names I didn't know, came forward and held out their hands to me.

"You've been a good sport," one of them said. "Let's shake hands."

"Okay girls," I smiled at them, "I don't mind a bit of fun."

I held out my hands and each girl took one and gently shook it. Then, suddenly, their soft touches turned to iron grips. There was absolutely nothing I could do to prevent my briefs from being snatched down from the rear. It turned out it was the young, auburn-haired one who actually did it.

About a dozen pairs of eager eyes bored into my crotch. There were squeals of delight and raucous laughter, not to mention lewd comments.

I was astounded at the behaviour of the girls yet, at the same time, I was proud of showing off my tool which was pointing downwards. Unless they let me cover myself up pretty quickly though, I was going to get a hard-on before their very eyes!

Suddenly, I let out a gasp. There was a lovely sensation down below. Only a girl's hands feels that good on your balls. The young girl who had been responsible for whipping down my briefs, had slipped her hand through my legs from behind to take hold of my bollocks.

"He likes that," one of the birds shouted out. "Look. You can tell!"

I didn't need to look down at my tool to know what all the exitement was about. My cock was swelling and rising. The auburn-haired girl gently caressed the sensitive surfaces beneath my bollocks and I inhaled sharply.

My cock stiffened and fairly shot up, to the huge delight of the girls assembled around me. A strange mixture of excitement and embarrassment ran through me as my cock proceeded to maximum stiffness.

"How would you like to be stuck on that?" said one voice.

"I wish my boyfriend had one that big!" another voice exclaimed.

They were just a couple of the comments bandied about as I stood, helpless, whilst my pretty colleagues expertly inspected my fully aroused genitals. The girl who was holding my balls now released her hold, so my bollocks came in for quite a few spicy remarks as well.

Out of the corner of my eye, I saw Colin sneaking off to try and hide somewhere. Unfortunately for him, one of the girls saw him and that was it!

He tried to conceal himself in a cupboard, but it wasn't long before he was paraded, fully naked now, around the big office.

His circumcised tool was dangling down lifelessly, not like my own. I reckoned however, that those mischievous birds who had recaptured him, wouldn't leave it dangling for long.

"Don't go away," I was told by one of the blondes who had 'shaken' my hand. "We can't have Colin with a soft willie."

She went to join the rest of her mates who were now milling around the cowering red.haired lad like rugby forwards around a scrum.

I began to feel a bit of a prat standing there with my stiff tool sticking and and no one paying any attention to me. My clothes had gone, so I just had to stay bollock naked until the girls condescended to allow me to put them back on again.

I began to think about my dick. It was still ramrod stiff. What the hell was I going to do with it? Perhaps I could stand quietly and toss myself off into a waste paper basket whilst the giggling girls were occupied with Colin?

"What shall we do with him for trying to escape?"

The one who had so nicely handled my bollocks was the questioner.

"Drain the spunk out of him!" I heard suggested.

Other replies were worded differently, but the end result was the same in every case. Colin was going to get wanked off, the lucky bastard! I should have tried to get away and then *I* could have got the same treatment.

"Come and watch!"

The invitation came from another blonde girl with an ample bosom and a softly pretty face.

I wasn't given any choice as to whether or not I wanted to watch what was going to take place. Her hand suddenly darted out and clamped onto my stiff prick.

"Agh!" I gasped.

Her palm was soft and warm, and I wanted her to bring me off there and then. She pulled me towards the desk, on top of which the rest of the chattering conspirators had laid the other naked new arrival.

Through a gap between two shapely, skirted female bottoms, I could see Colin's pole-like prick pointing upwards like a rocket ready for launching.

"Look...er...whatever your name is..." I began, my heart thumping.

"My name's Paula," she smiled at me. Her teeth were lovely shaped and sparkling white.

"Look Paula," I repeated. "I don't want to be a party pooper, you understand, but I don't see why Colin should get his jollies, and I'm left to play with myself in the loo when it's all over."

Paula inclined her head towards me. "Who said you'd be left to play with yourself?" she grinned, with a sly wink.

Despite the blonde girl's tight grip on my tool, it still lurched at what she had said. What was going to happen to me? These girls were clearly out to humiliate us blokes at our place of work. It was taking Women's Lib too far.

"Who's going to jerk his weapon?" someone asked.

There were several offers, but the general concensus of opinion was that the pretty Paula should perform the act of ultimate public humiliation. I was a bit put out at that, as it meant she would have to let go of my tool in order to do it.

"Okay." The tall, chirpy, blonde

BIG BABS IN PARK LANE

BRA-BENDING BABS TAKES 'EM ON TWO AT A TIME!

Here we go again – with bra-bursting Babs who shares her sexy ups and downs with Park Laners every four weeks. And this countrygirl who inerited a handsome pad in Park Lane (and loot aplenty to go with it) always has plenty to tell about her sensation-packed life in the Big Smoke, as regular Park Lane fans know only too well.

This time, our positively tit-anic fun-lover and sensation seeker decides to have some funky fun'n'games in her own kitchen with a hunky bit of rough – in fact, a brace of eager-to-please bits of rough who arrive to look after Babs' central heating – and doing it only too well!

Note, too Park Laners, we've left our top-heavy turn-on's diary more or less as she wrote it, so don't expect Shakespeare here...

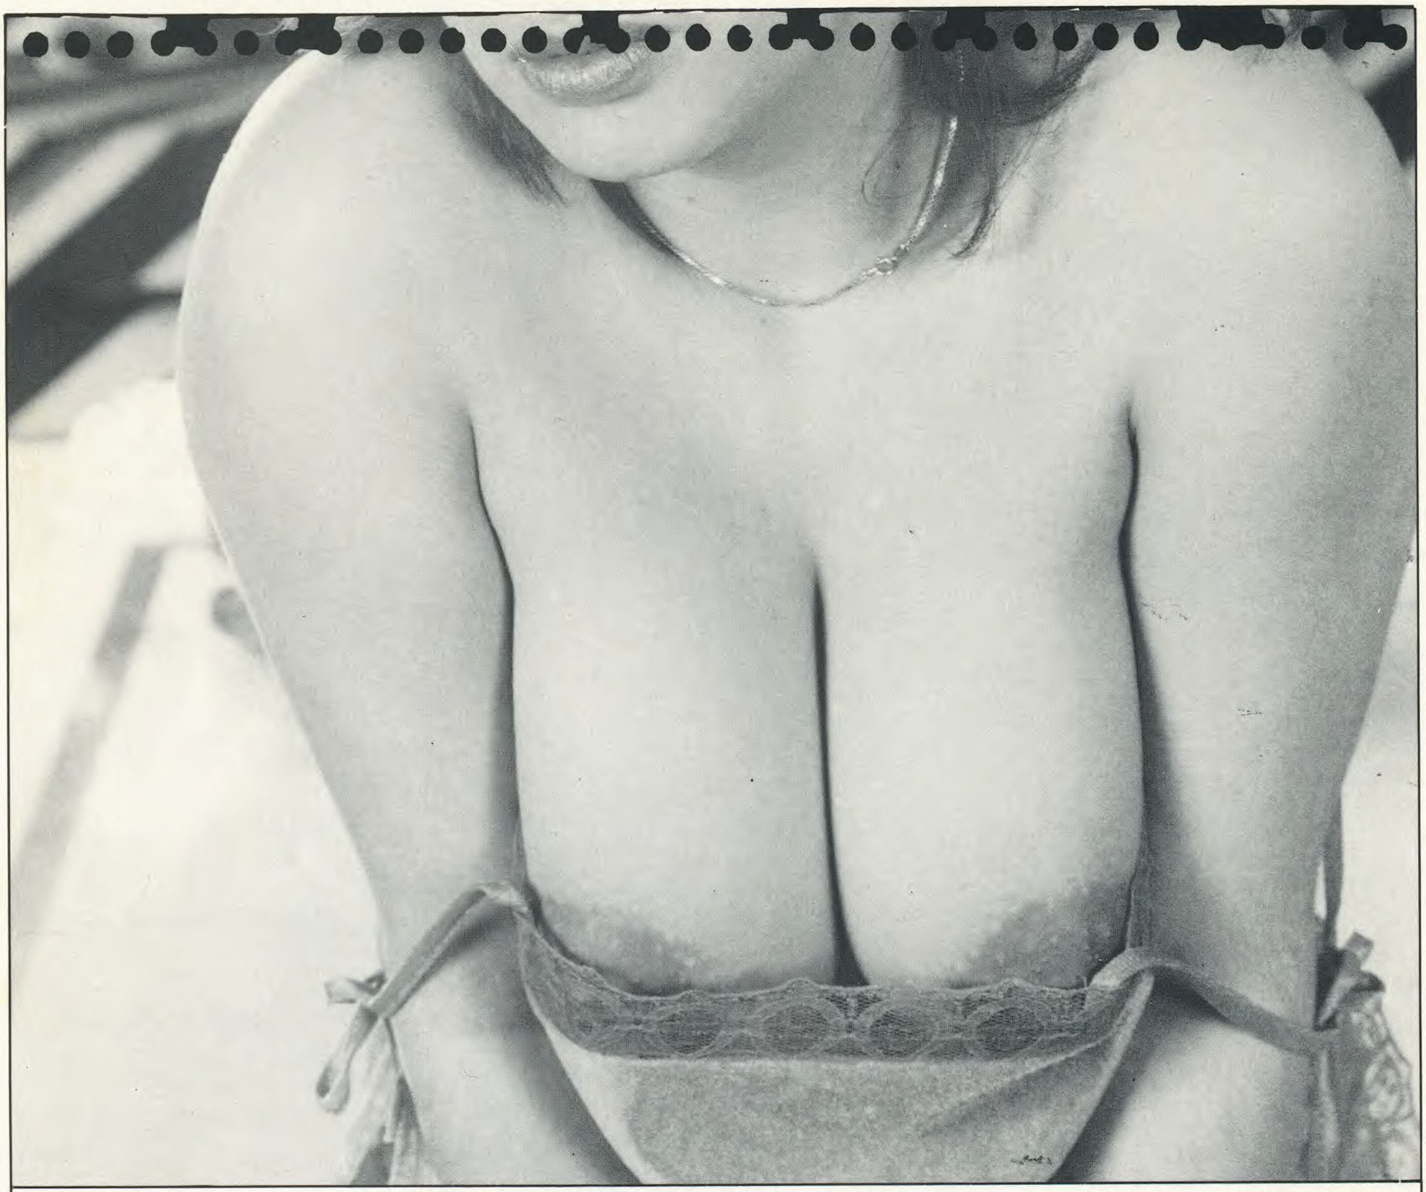
‘Sex is basic to my way of looking at things’



BIG BABS IN PARK LANE

Barbara, known as Bouncing Babs to her friends because of her huge, yet firm, breasts, lives in a luxury penthouse in Park Lane in London.
Since she moved to London, she has had all sorts of sexual adventures, but this one is the hottest so far...

I used to live in a small village in the country until that rich and kindly uncle of mine left me a huge penthouse – and loadsa money – in his Will. It allowed me to explore all the sexual goings-on in London.

Mind you, I was very sexy *before* I left the village, I often used to romp in the hay with the local lads, and even had a fling or two with one of the local girls. But I was never really ‘two-way’ till I came to London.

I must say that I’ve really enjoyed myself, and regular Park Lane readers will know that I’ve been to orgies, that I’ve had two, three and four men at a time, that I’ve been to lesbian parties... Yes, sex is basic to my way of looking at things, and I *do* have a lot of fun.

‘I was very sexy before I left the village’

Let me, for instance, tell you about a great deal of fun that I had just the other day. I had so much fun I can still feel it, if you get my meaning...

I had been out shopping, and when I got back to the flat it was very *cold.* The flat has fantastic views over London, its own private lift, three bedrooms, two bathrooms with sunken baths and... well, I could go on and on and on. It is luxury, real luxury.

But, as I said, the flat was *cold.* I checked the central heating and it didn’t appear to be operating. So I picked up the internal phone and buzzed down to the hall porter, Ben. He’s a nice man, about forty, and always very helpful. To be honest, I’ve always rather *fancied.* him.

He said he would get someone round right away. Well, it’s expensive living in that block of flats in Park Lane, and so when things go wrong,

‘I had so much fun I can still feel it’

'I love playing with them'

people who live there expect good service. Mind you, I think I get better service than most because of the size of my breasts.

What's more, I love my breasts; they really are lovely, firm and huge, with red nipples – really big nipples that stick out.

I love playing with them. I especially love to *run* my hands all over my boobs when a man is watching – or indeed, when another woman is watching.

Like many women with really large breasts, I also love to lick and suck them. I often do it when I am on my own, but most of the time I only do it when I am with other people – it does give me that extra thrill to have another person (or persons!) there watching me.

I love to stand there, naked, or half naked, my huge breasts heaving with lust and pleasure, and pull gently at my nipples with my fingers so that they get really big and hard and long and thick.

It isn't long before I get very wet inside too. Mind you, to be really honest, I am such a sexy lady that the slightest thing seems to get me worked up these days.

Then I take my entire nipple, or as much of it as I can manage, into my mouth and start to suck it really gently. That always turns me on, and *always* turns the man, or woman watching me.

I love to suck my own nipples like that, and I also love to masturbate when I... but I mustn't get side tracked for I was about to tell you what happened with that central heating of mine!

I was in the kitchen when the buzzer went to signal that my lift was being opened. It had to be Ben, the porter, for only *he* had the key to that lift, apart from me.

I turned on the closed circuit TV which showed me inside the lift – well, you have to be really security conscious these days, don't you – and there was Ben with another man. He had fair hair, a nice face, lovely eyes, and was wearing overalls, so I took him to be the central heating man.

The lift came up and they stepped out into my hallway. I was there to meet them. They both looked at me and smiled. Well, I *was* looking sexy.

I had on a skin tight sweater, with no bra under it, and skin tight jeans, – and no knickers on under them. Well, you can't really wear things under skin-tight clothes, can you?

I was well aware that the skin tight sweater clung to my boobs and that my nipples were really pushing at the material. And I was just loving the way both those men looked at me.

Ben was in his uniform, and the other fella, who was introduced to me as Ken, said he would have a look at the boiler first.

Well, we all went into the kitchen, and I made coffee. Ken sort of tinkered about, then he went and looked at the wiring onthe 'stat'. Then he had a look at the rads', and then he looked at the 'fill up' tank, whatever that is, and he finally announced that it was fixed.

Soon my 'rads' were getting nice and hot, and I thanked them and asked: "More coffee?"

"I should be getting back downstairs," said Ben, the Hall Porter.

'It had been ages since I'd last made with with two men'

"Isn't Ted, your assistant down there?" I asked.

"Yes," he confirmed.

"Well, I'm sure he can cope," I said.

To be honest with you, Park Laners, I was starting to feel randy. I rather fancied the central heating man, Ken. He was a real dish. And Ben I had always liked. Their two names even seemed to go together: Ken and Ben, Ben and Ken. I thought it would be nice to fuck them both.

It had been ages since I'd last made it with two men at the same time, and I was now getting the hots for these two men, I really was.

I knew that Ben, the Hall Porter fancied *me*. I could tell that from the way he looked, but he wasn't going to make the first move. Well, he worked there, and he had his job to protect.

Ken, the central heating man, also looked a little shy, so it looked as if it would be down to *me* again.

We all sat round the kitchen table, after I had made some more coffee. It was getting really warm now, and we were chatting about this and that. I said: "Wow, it is really hot in here now, Ken. You really fixed the system well."

"I'll turn the stat down if you like," he said.

"No, I'll just take off my sweater," I said, and before either of them could do or say anything, I just took off my thin sweater and hung it over the back of the chair. Then I picked up my coffee cup again as if nothing had happened.

Well, it was the best way really. I had made the first move, and had broken the ice.

Ben's brown eyes gleamed and his lovely wide mouth broke into a smile. He touched his small moustache – which was really thin and didn't suit him – and smiled again.

"I *love* your breasts," said Ken, who was staring at me, his light green eyes almost popping out of his head.

"Thank you," I said. "Aren't *you* hot in those overalls?"

"Yes, I am," he replied.

"I bet you are hot too, Ben, in that hotel porter's uniform?" I said.

"That I am," replied Ben.

"Well, why not take them off... let's have some fun."

There was silence for a moment. Ben and Ken looked at each other. I just waited. I knew that some men don't like making a threesome up with another man. Most men seem to go for the two-women-and-one-man threesome thing. But Ken finally smiled and nodded and said he was

By the way, Julie Allen's *next* airing, now she's worked herself up into a wild mood is *not* with large-size *Parade*, but with dazzling new carry-around-with-you *Pocket Parade*, published in response to requests from flesh fanciers who want adult entertainment they can pop in their pocket and enjoy *wherever* they find themselves.

And if you'd like to see what's going on and coming off in 100-page all-colour *Pocket Parade*. look out for it at your Park Lane magazinerie, or simply post the special sampler slip in Julie's Park Lane showcase to get the measure of this compact crackling-crammed cavalcade - both collector's launch issues 1 *and* 2.

‘Ken had a short thick one’

Continued from Page 31

BIG BABS IN PARK LANE

game; then Ben also nodded and he said he was happy about the idea.

“Then let’s have some fun right here in the kitchen,” I said. I stood up and took off my jeans. Now I was fully naked, and both men gasped with pleasure at the sight. Then they took off *their* clothes just as fast as they could!

They both had lovely cocks. Ken had a short thick one, and Ben had a long slender one – two really nice cocks. Next they lifted me up and put me down on the kitchen table, after first removing all the cups and things.

I was soon flat on my back on the table, with my feet on the floor, so my bum was on the edge and my back flat along the table.

Although it was not the most comfortable of positions, I was so hot and randy that I could have fucked on a bed of nails and not noticed them.

Ben knelt down so that his face was level with my pussy.

“I have always wanted to suck you,” he gasped. “Ever since you moved into this penthouse flat I have always wanted to suck your pussy.”

‘Ben had a long slender one’

“Well, now’s your big chance,” I said.

“And I have always wanted to suck and lick huge boobs like yours,” said Ken, staring at my tits.

Waves of pleasure were soon blasting through every single part of my naked body, for Ken had moved his head over me and his tongue touched me here, touched me there, so waves of pleasure went through me.

At the same time, Ken was using his tongue, and I could feel it working slowly up and down my thick pouting pink pussylips. And he was really loving the taste, going by the sounds he was making.

Me? I was in heaven, with two men working on me, and two tongues lapping me.

Ben’s tongue, on my pussy, was *very* experienced, and then I shouted out loud, when Ben had found my clit – not that I had lost it! – and took it into his mouth, wrapping his lips round that erect tissue, then giving it a really hard sucking, just how I like my clit to be sucked.

At the same moment, Ken had taken my right nipple into his mouth and he was giving it a really heavy sucking.

I then felt Ken’s fingers on my tits, and he was moving *onto* the table, rubbing his lovely cock all over my face.

Ben was now using his fingers, pulling my pussy lips wide apart and looking all the way into the depth of my pussy.

I really like that. It turns me on no end to know a man is looking into the depths of my tight pink pussy.

Now Ken was pushing his thick cock between my huge boobs. That was nice, and I used my hands to press my boobs together and trap his cock between them.

Soon he was giving me a really nice tit-fuck, sliding that tasty looking prick between my huge boobs, pushing it so far forward that, every now and then, he would hit the tip of my chin, or my neck, with his glans.

Ben was meantime sucking his way *into* my pussy. He was really eating me, expertly going to work on my cunt with his tongue and lips and fingers.

First he would finger fuck me for a while, then his tongue would flick in and out of my pussy. Then he would press his mouth close to my opening and suck as hard as he could go so that he drew out lots of my pussy juices.

Ken was breathing heavily now. I knew he would be coming soon. But I thought it might be nice to take them together, so I called to him to move round to the side.

It was a very wide table, so he was able to kneel on it by the side of my face. I then called out to Ben to stop licking me and get to work with his cock inside me.

Ben was more than happy to do that! He stopped sucking my pussy, licked his lips, and then he started to rub the hard throbbing end of his cock against my soaking wet pussy lips. That felt so wonderful that I couldn’t help myself. I let out the loudest shout possible as a simply marvellous climax blasted through me.

Then he slipped it in, did Ben. He pushed, and the pressure of his knob against my pussy lips made the flesh part. That was nice when I got that feeling that every sexy women really loves of having a nice thick stiff prick plunge into your pussy.

I let out another shout of joy as Ben pushed his hard cock all the way in but then that shout was stifled, for I had another cock in me now. Ken, ►

City Trading Ltd. Reg No. 2174586

'He was giving it a really heavy sucking'

kneeling there, had leaned in, and had pushed his hard tool into my mouth.

I closed my lips round it, and he started to sort of shaft his penis in and out of my mouth. You know, using my mouth as if it were a cunt, and that was fine by me.

Ben was working his powerful tool in and out of my cunt. He wasn't going fast, but then again, he wasn't holding back either – he was doing it just right.

Two lovely men going to town on me... well, Bouncing Babs was in a sexual heaven all of her own: a cock in my mouth, another in my pussy. No wonder my huge boobs were shaking and jiggling all over the place.

Ken's cock was getting harder all the time in my mouth, and to be honest, I don't think I have ever had a tastier cock there.

"Hey, how about a change round?" called out Ben.

"That's a great idea," called back Ken.

Suddenly I felt very empty at both ends as the men changed places.

Ken pulled his penis from my mouth and got off the table. He walked round to the other end, as Ben slipped his hot tool from my cunt and walked round the table.

Then Ben was on the table, kneeling by my face, his lovely thick prick all wet and sticky with my pussy juice. The first thing I did was use the tip of my darting tongue and lick my juices from that lovely prick of his. Then I opened my mouth wide, he slowly shoved his prick inside, and I closed my lips round his shaft and started to suck.

Ken meanwhile was at the far end, standing there, and then slipping his cock into my cunt.

So once again I was full at both ends and feeling really good again!

Ken fucked my pussy much slower than Ben had done. He just eased in and out nice and slowly, really taking his time about it, pushing deep, pausing, then pulling out, pausing, then pushing back in again.

As the fun continued, they kept changing ends, so to speak, and I was loving it as they moved to my mouth then my pussy, then back again.

Of course, even the best of fucks cannot go on for ever, and Ben was the first to cum. His penis was deep inside my pussy at the time, and I was sucking away on *Ken's* prick.

As I sucked, so I felt Ben's prick go really stiff inside my pussy. Then I felt it jerk, and I knew he would soon be coming.

I heard Ben shout with pleasure, and I just let Ken's cock slip from my mouth for it was my turn to shout out loud and long as Ben's cum started to power and shower into my waiting lovebox.

He shot out masses and masses of the lovely stuff into me, and I could feel my pussy becoming really full.

Then the cum supply ceased, and Ben pulled out came round the side, and wiped his spunky cock all over my boobs.

He took a step back, and watched while Ken and I got on with it. I loved the feeling of all that cum in my pussy as I sucked away on Ken's cock. He was harder than ever now.

I had a feeling that it wouldn't be too long before *he* started to flood my mouth with his cum, and I was right.

For less than thirty seconds or so after Ben had pulled from my cunt, so Ken was starting to spurt his cum into my sucking mouth.

'At the same time Ken was using his tongue'

'I was drinking it down as fast as I could'

The power of his hot ejaculation sent his cum shooting right down my throat. Yes it was such a powerful stream, that first wave, that I didn't even have to swallow. He had the head of his cock right at the back of my mouth and that jetting stream went right down my throat.

Then he pulled his tool out a little so that only the head of his knob was inside my mouth. Still the hot cum came from his cock and my mouth was soon really full of the stuff, even though I was drinking it down as fast as I could.

Then his supply dried up, and he pulled his prick from my mouth, got off the table and sat on one of the chairs.

It took me several minutes to recover for it had been one of the best sexual sessions of my life.

I just lay there on the kitchen table in my penthouse flat, relishing the cum in my pussy, and also still tasting Ken's cum in my mouth.

The cum started to dribble out from my pussy and run down the inside of my legs.

So I told the guys to follow me, and we went into my huge bathroom. I filled the sunken bath, and we all got into it splashed around a bit, and when we had dried off, I decided I wanted some comfort for my next session. That kitchen table had been very hard on my back.

So we went into the master bedroom, and really had some *great* fun. At one stage I was sucking them both off, with the heads of both their cocks in my mouth at the same time.

Then, at one stage, they were both spraying their cum over my face at the same time. I don't think I've ever had so much cum on my face before and then...

But I'm afraid the rest will have to wait for another time. I have to go now, to attend a lesbian orgy in a flat on the first floor.

Perhaps I'll tell you about it next time round...

Can't wait to hear more, Babs, in just four weeks time in our next astonishing Park Lane!

'I knew he would be coming soon'

'I was going to get the sexual works'

'It now went limp in Paula's hand'

ON THE JOB IN PARK LANE!

Continued from Page 27

girl with the decent boobs agreed. "If no one else wants a sticky hand. Will someone keep hold of this dick whilst I'm doing it?"

As before, there was no shortage of volunteers and there was a scramble of soft, be-ringed female hands about my genitals until a winner emerged.

It was the young girl with the nice face and the auburn hair. She gave me a wink. I wouldn't have minded a wank off *her.*

"Don't go jerking him off, Alison," she was told.

So that was her name.

"You're not going to spunk off *on* me, are you?" Alison asked me.

I particularly liked the mischievous twinkle in her wide, green eyes.

"My cock won't come of its own accord," I told her.

She giggled and pulled me to the front of the throng of excited girls gathered around the stretched-out, helpless Colin. He was clearly nervous and shy, despite his hard-on. Silly bastard!

I could hardly wait for whatever was in store for *me,* but meanwhile, I had to watch Colin having the spunk pumped out of him. I'd never actually watched a bloke getting tossed off before, and I thought it would be good fun to see.

Paula took up position opposite me on Colin's left hand side. I already knew she was right handed, so she would be able to use her left to hold his bollocks.

Excitement within me intensified as I watched her wrap her hand around the base of his cock. The red-haired clerk immediately jumped.

"This would cost you a fortune in Soho, mate," I pointed out to him.

The girls laughed and giggled and Colin forced a smile. It probably wasn't the first time he'd been wanked by a bird, but it was more than likely the first time he had been given a hand job in front of an audience!

Paula started to wank him and a hush fell on the proceedings. Alison's grip on my own cock perceptibly tightened as the blonde wanker's hand slid up to the purple helmet and then down again. This was repeated at the same tempo for a while before Paula began to speed up.

"That's it, Paula," encouraged my own captor. "Get those balls bouncing!"

The attractive blonde went faster at the job in hand and Colin's balls began to dance around in reckless abandon.

"We want spunk," one of the excited girls cried out in a shrill voice.

"We want spunk!"

That started them all off. Those well brought-up young ladies whom I had seen perching prettily behind their vdu screens became like a pack of baying hounds – only these birds had the scent of spunk in their nostrils, not blood.

Alison's hold on my tool tightened still more, but she didn't do any wanking with it. How was I going to lose *my* spunk?

Meanwhile Paula wanked on, a smile on her face, as her hand pistoned up and down Colin's imprisoned prick.

I was getting quite a kick myself out of the proceedings. The girls were going really wild now and, in the state they were in, I reckoned they would all be pushovers for a legover. When it was all over however they would, no doubt, resume their everyday, 'hard-to-get' poses.

I could see that Colin wasn't going to hang on to his sperm for much longer. The girls all knew it, too.

"Spunk him now," they yelled out to Paula. "Make him come!"

"He's coming now," Paula announced.

She had been holding his balls with her left hand for a while, but now she freed them to bounce around as her sliding hand brought the victim's prick up to the shooting stage.

"Hooray!" said some.

"Ugh! Yukky stuff!" said others.

The shouts varied as a stream of spunk fountained out of Colin's cock to the huge delight of all those watching, myself included. I'd never seen another bloke's sperm before, but it was just like mine.

The stuff rained down in dollops onto the thighs and belly of the twitching Colin. Paula, laughing, carried on wanking. Her fingers were coated with the stuff.

Colin's weapon finally stopped firing and it now went limp in Paula's hand. She then let go of it. The blonde was pleased as Punch with what she had done. I just wished she'd done it to *me.* Anyway, what *was* going to happen to me?

Alison, still gripping my throbbing

tool, turned to me.

"I think you could do with a rest, couldn't you?" she asked.

"No," I protested. "Not *yet*."

She let go of my tool and flicked it up and down, as if testing it for springiness. Anyway, it obviously passed. My cock was the centre of attention once again, now that Colin's was only fit for pissing through.

Surely they weren't going to leave me high and dry, despite what Paula had intimated. Could they be so cruel?

"You know where the Ladies' Rest Room is," chuckled Alison. "Go and have a lie down."

I decided to stand my ground. I wanted *my* tool messing about with. It was a better specimen that Colin's. Besides, I was better looking and more macho!

Suddenly, a few of the girls produced those long, thin plastic rulers and one of them slapped hers down onto the top of my cock. It stung like mad and I naturally shielded my privates from further swipes.

The sex-fun-crazed birds then attacked my defenceless backside. Instinctively, I cupped my nates and so exposed my sticking up prick once again. Another couple of wristy flicks across its shoulders had me legging it to the Rest Room.

Colin, the sod, was laughing his cock off at what was happening to me. The way it had shrivelled up after his wank, it looked as if it was about to drop off anyway.

I was hurled inside the room used by females for recovering from their p.m.t. headaches or whatever. The porno mags and male nude pin-ups lying around didn't surprise me. Not with *that* lot in the General Office outside!

What was I doing in the Rest Room, though? Where were my *clothes?* The girls hadn't finished with me after all, had they?

Suddenly, there was a great deal of shouting and laughter from outside the door. Despite my hard-on, I did my best to cover my genitals with my hands as I had a good idea I was going to have a visitor pushed in on me – probably the old tea lady or someone like that.

The door opened, and so too did my mouth.

Flung into the Rest Room was the delightful Paula, as I had not seen her before – totally naked. Instinctively, I held out my arms as she collided against me. Her flesh was wonderfully warm and soft.

"Don't take all day, you two," Alison called out. "There's work to be done, remember."

I could feel Paula's nipples pressing into me. No doubt, she was aware of my stiff dick making its presence felt.

No longer, I decided, did I want a wank. I wanted a fuck.

"Never mind what Alison said. Don't come too quickly, will you?" grinned the naked, nubile blonde, looking up at me with her gorgeous blue eyes. My heart leapt. Was I dreaming this whole thing?

I pushed her back so I could look at her. Her decent-sized breasts thrust outwards, bobbing delightfuly. My hands went out for them and I ran my thumbs over the pert, erect buttons of her nipples. You don't get tits like those in a dream!

I lowered my head and got my mouth onto them. My tongue slobbered over the rubbery studs and the soft-skinned, salty-tasting mounds of her tit flesh, while Paula's hand got re-acquainted with my cock.

This was, of course, all part of my 'initiation'. I laughed to myself. All Colin had got was a lousy wank. I was going to get the sexual works!

I came up for air and cast my eye over the rest of her. She was a ►

ON THE JOB IN PARK LANE!

natural blonde. Her pubic tuft was dark gold in colour. It was a bit straggly, but it didn't put me off at all.

Her thighs were gleaming and were clearly well exercised.

"We don't *have* to fuck, of course," she told me. "We can simulate the noises and I'll watch you tossing yourself off to get rid of your erection."

"Thank you for outlining the options, Paula," I remarked, "but I think I'll go for the first one."

Laughing, and her tits wobbling, she bounded onto the long couch and made herself comfortable on her back.

She parted her superbly-sculptured legs and I got myself into position between them, gazing at her dewy love crack.

I got closer and closer. Then, I lunged forward and downwards. Paula inhaled sharply as I sank my whole length into the moist warmth of her waiting twat.

With all that had gone on earlier, I was eager to get stuck in right away. I shafted furiously at her exciting, young body.

Paula folded her legs across my heaving buttocks and she moved both her hands to my balls, which were slapping madly against her.

Several times, her gorgeous, blue-eyed face screwed up as her love juice flowed out of her. Then, she started to pant and I knew it would not be long before the ecstasy of orgasm overcame us both.

My well-mauled tool pistoned in and out of her sticky socket faster than ever. Suddenly, Paula gave out a shrill cry. Her blue eyes bulged. I cried out with the pleasure as my hot spunk gushed into her.

I kept stabbing away with my prick until it began to soften inside her. Then, I lay for a while on top of her gently heaving body.

"That was fabulous," she breathed. "That was the kind of fuck a girl should get every Saturday night, never mind a Monday morning during working hours."

"It can be arranged, Paula," I told her, getting up and looking at her puffy-lipped, dribbling orifice. "It can be arranged."

"I think another fuck can be arranged before we go back to work," grinned Paula, stretching out a hand and wrapping it around my spend-coated cock. "This looks like it will stiffen up in no time."

Although I had shot a lot of spunk up her, my cock hadn't wilted a great deal and the feel of the blonde's warm palm began to excite it again.

"We might just about make it," I agreed, "although I'm not used to shagging against the clock."

My prick was pole stiff quite quickly, much to Paula's delight. Of course, I was very pleased, too. She folded herself over the end of the couch and presented the full moons of her backside to me.

I spread apart the cheeks with the palms of my hands, pointed my prick at the glistening entrance of her puss and simply walked it into her.

"Oooohhh!" Paula gasped as my solid meat penetrated her love passage once more.

As I shafted away, I slid my hands underneath her and took hold of her dangling boobs. I had been pistoning away for some time when there was a knock on the door. I didn't stop. Even it if meant the sack, I was going to spunk first of all.

Alison poked her head round the door and threw our clothes into the room.

"Gosh! Haven't you finished yet?" she exclaimed.

"This is the encore," laughed Paula.

"Wow!" The auburn-haired girl was most impressed. "You'd better hurry up, though," she warned us.

"I'm coming now," I told her.

Giggling, Paula's friend withdrew and left us to climax on our own. The blonde girl's arse ground into my belly and my bollocks hammered against her as I, once again, hosed her insides with a jet of hot spunk.

'She parted her superbly-sculptured legs'

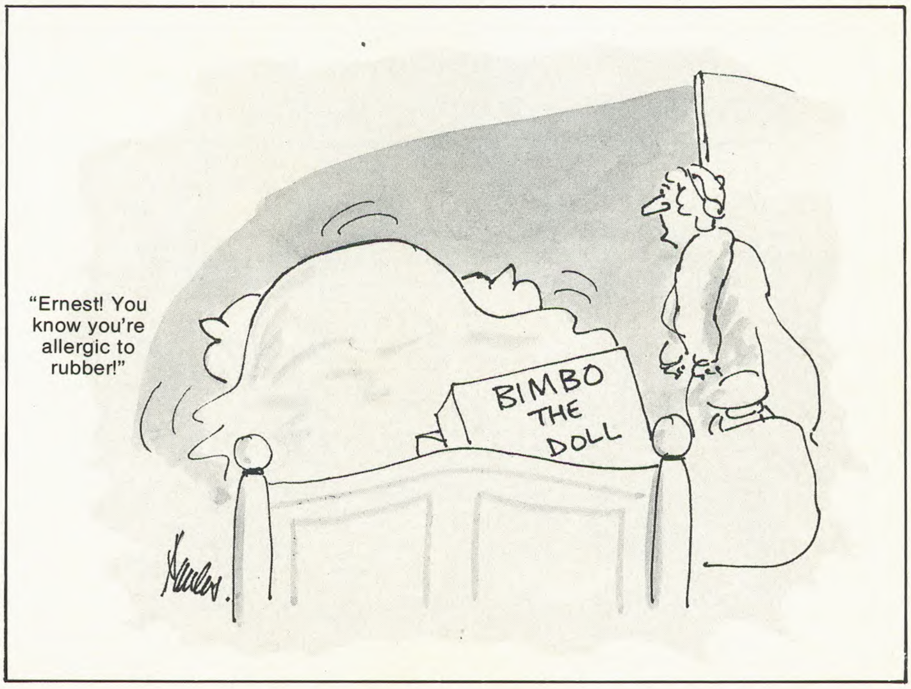
'I'm coming now,' I told her'

When it was over she got up and turned round. I continued to palm the superb orbs of her breasts before we got dressed.

"I've waited for ages for getting the chance of getting into this firm," she told me. "*All* the girls I know want to come and work here. My friend Alison used to make me dead envious with her stories about these initiations."

"You mean..." I let go of her tits in surprise. "You mean that was part of *your* initiation ceremony?"

"Oh yes," she smiled. "Same as you. I only started here this morning, Great, isn't it?"



"Ernest! You know you're allergic to rubber!"

‘It sunk in deep between her thighs’

THE DIARY OF A PARK LANE RAKE

Continued from Page 23

driver to take me back to the village, we are going to have one almight bloody row!”

I laughed and laughed. It was too funny for words.

It was Philippa’s turn now to be annoyed.

“At least I thought *you* would understand. When I heard you were coming I just could not wait...” she shouted, picking up the water jug and cocking her throwing arm in my direction.

“Now, look here, Connie, *bugger it,* I mean Philippa, I did not travel three thousand miles for a farce. I now know why you are here, and I must tell you this is a working business trip...”

“I know. Percy telephoned and told me you were on your way,” she cut in.

I took her in my arms with no prompting this time. Philippa’s haughtiness acts on me like a spur, especially when she wraps her legs around my back like a steel vice and looks at me with sheer green-eyed arrogance, as she was doing now.

My orgasm rushed out of me like a bull at a gate. It was helped by hers all the way. Philippa turns and twists a love-partner; she is restless and always questing, but it is the only time in her life when her wit and bantering tone are stilled.

The next day I met the Rum Punch people in Bridgetown, had lunch, and then was invited back to the chairman’s house for a party that night.

The tallest, most beautiful, most stately black girl I had ever met in my life with a voice like liquid milk chocolate, offered me a ‘Caribbean Cooler’. An enormous tulip-shaped glass crowned with a pink flower petal, and swizzle-sticked through with a quarter wedge of lime with a marischino cherry stuck on its end – rather like the blob on a clown’s nose.

“Are you drinking?” was all she said.

What she meant was: ‘I am quite interested. Let us see if you interest *me,* and, yes, I will make love if I fancy you enough, but that is not automatic and must not be assumed...’

“Thank you.” I replied, holding out my hand to accept the proferred drink. “I love the scent of the ling lang. Is that not one over there by the Mochineel tree?”

“You know all about our infamous poison tree, then?” she laughed quietly.

I like the use of ‘infamous’; so much more thoughtful, and undoubtedly accurate, than ‘famous’ in the context.

“Only what I have mugged up since arriving. I know that its berries look like little apples, but they are poison, and that when it rains one must *not* stand under it because the drips can have a deleterious effect on the skin.”

“Drips always do!” she said, regarding me impishly.

“I wouldn’t know. Like fools, I do not suffer them gladly,” I reported.

“If at all?”

“If at all,” I concurred.

We walked by the lemon-scented ling lang, and down on the beach. I could smell her expensively discreet perfume as the gentle night breeze wafted it up into my face. I became bodily conscious of her, and when she suddenly turned her head and stopped, I said, “Yes, I should like to, very much.”

We walked onwards in silent compact. There was nothing more to be said. I still did not know who she was, but she let us in the back of the house and up the stairs to a second floor bedroom, and closed the door without locking it.

Her clothes simply disappeared before my searching eyes. A few deft movements, all done with exquisite elegance, and she stood gloriously naked: a black marble statue of another Venus, proud and assured.

We stood facing and we walked towards each other. The effect of touching her was electric. She still had not uttered one single word since the beach. But it was past polite concersation time.

We locked into each other, and stood still for a second feeling shared vibrations, and silent, mounting desire. She lifted one knee high and rubbed me, then wrapped both legs around my waist and kissed me with a smouldering intensity that had exploded into a prairie fire in the five short steps to the bed.

She was in combat – glorious sexual combat, but she waited to respond to my every move because this was our first time, and we were playing it by the book.

I felt her tummy with the flat palm of my hand, and let it travel down over carefully shaven pubic ►

'So I slid it into her'

stubble, my index finger extruding when I came to her clit.

A strong hand shot down and grabbed my wrist in a vice. She wanted my *cock* without any further delay. So I slid it into her and found I had no time for the usual round-screwing movement, but felt obliged to shaft with piston like rapacity straight away, as each stroke brought higher response on her sexual Richter scale.

Soon she was quivering from head to foot, jerking my juice off with amazing grace.

I could not wait to harden up again. And I didn't. This time I really gave it to her as she splayed her legs apart, indicating that in bed she favoured a good strong fuck in favour of sophistication.

I never knew who she was and I never saw her again, even when I returned to the gathering an hour or so later. No-one said 'Where have *you* been?', or even contrived to pretend not to notice. It was all taken for granted with the West Indian's inherent easy-going goodwill.

In my bungalow later the telephone purp-purped respectfully.

"Hello," said Connie's unmistakable voice. "I am *not* dear Philippa, using some poor potty old baronet to get herself over to be near you. I am Constance, your inconstant ever-loving fiancée, and I am coming over but not on any pretext. I am coming to Barbados to be fucked and fuck back, as only I can do to you, Hugh Mortimer. And I shall be very cross and start to throw things if I smell dear Philippa on you, so be warned..."

"How long will it take you to get here?" I enquired calmly.

"Oh, about thirty seconds..."

"Thirty *seconds?"*

I was still standing there, holding the receiver, when Connie sidled in, wearing a tight fitting black dress and – I could tell – *nothing* whatsoever underneath.

Ever the stripper, blue movie queen, and sex goddess, she dramatically whipped the dress over her head, tossing it contemptuously aside as if onstage in the closing moments of her act, and struck a sexy pose.

Philippa is a sexual grenade. The black girl had been Semtex. But Connie has the nuclear button and key to my most sensual inner feelings.

I walked over and grabbed hold of her tiny waist and hurled her on the bed as those lovely long legs danced their commands over various parts of my person.

The rubbery lips of hers pouted, and I pressed them back to their perfect teeth.

I felt the tight tension of the cheeks of her backside, and ground them with my hands, making that deep throated gurgle of exploding sexual energy come, right up from Connie's belly button and spew out of her mouth in a non-ceasing string of sexual obscenities that are as 100% right at those moments as gettig down to one's knees in church for the benediction.

I fucked her with a wild intensity that came of knowing how good it was between us, egged on by *jealousy,* because since I had not married her, she deliberately put herself around.

When we had both come, there was a discreet tap at the door, and Philippa walked in followd by Lord Stuttaford.

"Oh, hello Connie, thought you might show up! Algernon and I are just 'awf for a first class flight through the night to London. Just wanted to say ta-ta to Hugo dear..."

"Of course, Pippa," Connie cooed, aware that Philippa *hated* that diminutive. "How do you do, Lord Stuttaford? I am sorry I am not dressed, but when a lady is being fucked she does not generally wear clothes."

"Look here, Penelope, it's time you came home," stormed Stutters, waving his stick. "Been jolly understandin' about the chauffeur *and* the chap in the village, but it's time it stopped. "Can't have yer making a fool of me..."

"Get away woman!" he then bellowed at poor, poor Philippa, fetching her one with his stick. "Told the bloody council fella not to send me any more social workers..."

I poured myself a glass of champagne and kissed Connie who responded avidly, totally ignoring them... well, there's nothing else a chap *can* do on these occasions, is there?

More from your Park Lane Rake in just 30 days' time!

The moment *Park Lane* set eyes on 38-23-37 half-Italian, all-horny Lisa Renzi in the all-colour pictures of sensational new monthly for pube-haters, *Shaven Ravers* Magazine where pubic hair is utterly square, Park Lane knew we had to get her to do it in Park Lane's posh way - pearls and all.

So here's depilated dazzler Lisa casting her pearls before the sexy swine who head Park Lane's way - and don't forget you can call up your own very pube-free sensations for a mere 25p a minute (38p peak times) on 0898 884 036 (Anna Shaved & Bare), 0898 884 028 (Lucy Soaping Betty) as well as sharing ticklish turn-ons with the 'Shaving Brush Girl' on 0898 884 035.

Also note, pube-hating Park Laners, that luscious Lisa is just one of *scores* of shorn-to-please, good-all-over stunners who pack the pubeless picture pages of *Shaven Ravers* and its new take-anywhere-with-you sidekick, *Pocket Shaven Ravers.*

So if this taste of bold, bald beauties who've relished the kindest cut of all, makes you hungry for more, simply post the 'Shaven Ravers Sampler' slip in lovely Lisa's pube-free pictorial to get your hands on the latest issues of *both* magazines where, like we said, pubic hair is utterly square.

YES, I LOVE SHORN-TO-PLEASE LOVELIES

So please rush me the latest issues of SHAVEN RAVERS Magazine, and POCKET SHAVEN RAVERS Magazine for just a fiver (£5 enclosed). I am 18 years or over.
